# Welcome to Dubatech!

We're a UAE-based tech company offering smart, industry-specific software solutions.

From real estate to HR and legal firms, we streamline operations through innovation.

Our mission is to empower businesses with scalable, reliable digital tools. Let's shape the future of technology—together.

# About Company

Dubatech is a UAE-based technology company focused on delivering purpose-built software solutions for key industries. With deep understanding of local business needs, we create tools that streamline operations, ensure regulatory compliance, and enhance productivity. Our suite of products — including DubaGuard for HR and manpower management, DubaHouse for real estate operations, and DubaLaw for legal firms — reflects our commitment to solving real-world challenges through smart, user-friendly technology.

At Dubatech, we believe in building more than just software — we build partnerships. Our team is driven by innovation, integrity, and a passion for helping businesses grow. We work closely with our clients to ensure our solutions evolve with their needs, offering ongoing support, customization, and reliability. With Dubatech, you're not just adopting technology — you're gaining a dedicated partner in digital transformation.

## Our MISSION

- Provide innovative, tailored software solutions that simplify complex business processes.
- Ensure our products enhance operational efficiency and regulatory compliance.
- Deliver reliable and scalable technology to support diverse industry needs.
- Build lasting partnerships by putting client success at the core of everything we do.

## Our VISION

- Be the foremost technology partner driving digital transformation in the UAE and beyond.
- Lead the market with user-centric, cutting-edge software innovations.
- Enable businesses to operate smarter, faster, and more sustainably.
- Deliver bilingual (English and Arabic) solutions that bridge cultures and empower diverse users.

## Law Firm Management Software

**DubaLaw** is a smart, secure software designed for law firms and legal professionals. It simplifies daily operations like case handling, client communication, document storage, invoicing, and team collaboration — all through one single platform.

## **Key Features**

- **Case Management** - Track case progress and deadlines efficiently.
- **Client CRM** - Access complete client profiles and history.
- **Document Storage** - Secure, searchable legal file repository.
- **Calendar & Reminders** - Manage appointments and hearings.
- **Billing & Invoicing** - Track time, generate invoices, and manage retainers.
- **Tasks & Workflow** - Assign roles and monitor progress.
- **Data Security** - Protect client information with strong encryption.
- **Reports** - Analyze firm performance and workload.

## **Built For**

Law Firms | Legal Consultants | Corporate Legal Teams

## Security & HR Management Software

**DubaGuard** is an all-in-one platform for managing HR, operations, payroll, and compliance for security and manpower firms. It simplifies guard deployment, ensures MOHRE and SIRA compliance, and streamlines daily workflows.

### **Key Features**

- **MOHRE Alerts** – Auto-reminders for visa & ID expiries
- **Core HRM** – Complete employee profiles
- **WPS Payroll** – SIF file generation & payslip management
- **SIRA Tracker** – Verify guard certifications
- **Accommodation Tracker** – Manage staff housing & assets
- **Site Inspector** – Log visits, reports, and issues
- **Client & Shift Assignment** – Deploy guards efficiently
- **Reports** – Export HR and payroll data in PDF/Excel

### **Built For**

Security Companies | Guarding Agencies | Facility Management Firms  
| Manpower Services

## Real Estate Management Software

**DubaHouse** is a smart solution designed for real estate companies to manage properties, tenants, contracts, payments, and maintenance — all within one single platform.

### Key Features

- **Property Listings** – Organize and display all units and buildings
- **Tenant Management** – Track profiles, contracts, and documents
- **Rental Contracts** – Generate, renew, and manage lease agreements
- **Payment Tracking** – Monitor due rents, receipts, and defaulters
- **Maintenance Requests** – Log and assign service tasks
- **Unit Availability** – View vacant and occupied units in real-time
- **Document Vault** – Store tenancy contracts, IDs, and more
- **Reports & Analytics** – Export occupancy, revenue, and service data

### Built For

Real Estate Companies | Property Managers | Leasing Agencies

## Workshop & Vehicle Management Software

**DubaGarage** is an intelligent platform that helps automotive businesses streamline vehicle management, service scheduling, customer records, invoicing, and inventory — all within a single, easy-to-use system.

### **Key Features**

- **Vehicle Intake** – Log service requests with full vehicle details
- **Job Cards** – Create and assign repair/service tasks
- **Customer Profiles** – Track service history and contact details
- **Inventory Control** – Manage spare parts and stock levels
- **Billing & Invoicing** – Generate invoices with tax and discounts
- **Status Updates** – Track repair progress in real-time
- **Service Reminders** – Notify clients about upcoming services
- **Reports** – Export job, billing, and inventory data

### **Built For**

Auto Garages | Car Repair Shops | Vehicle Service Centers

# Let's Work Together

At **Dubatech**, we believe meaningful progress comes from strong partnerships. Whether you need a tailored solution or want to enhance your operations, we're here to collaborate. Our team is ready to listen, understand, and deliver with purpose.

**Reach out today — let's turn your vision into reality together.**
